Pursuant to 10 CFR 50.54(p), this letter provides Revision 1 of the PS/CP which supersedes Revision 0 submitted on March 14, 1997, in its entirety. TVA evaluated these revisions utilizing the screening guidance provided in Generic Letter 95-08, "10 CFR 50.54(p) Process For Changes to Security Plans Without Prior NRC Approval," and TVA does not consider these revisions to decrease the overall effectiveness of the security plan.

The information is being sent by certified mail and the signed receipt will signify that NRC has received this information and acknowledged that it contains safeguards material to be protected in accordance with 10 CFR 73.21, "Requirements for the Protection of Safeguards Information." This receipt will also provide verification to TVA that the superseded WBN PS/CP, Revision 0 will be destroyed and replaced by the enclosed PS/CP, Revision 1.
