Andrea - Gina and I discussed the visit agenda subjects and location - no problem with subject matter or meeting at either location (NA or Frederick). I was waiting to decide on location until we received some specific subject matter "questions" from Chris. Would you like a call to discuss or would another call from Chris to me suffice? Just let Gina or me know - thanks. We'll pull the appropriate SMEs together for those April 10/11 groundwater/surface water discussions based on the specific needs.
