Subject: FYI: Receipt of Arizona proposed regulations to incorporate RATS IDs: 2003-1, 2004-1, 2006-2, 2006-3, and 2007-1

Dear Mr. Godwin:

The Office of Federal and State Materials and Environmental Management Programs has received the July 13 and August 5, 2008 letters from you transmitting the Arizona proposed regulations to incorporate RATS IDs: 2003-1, 2004-1, 2006-2, 2006-3, and 2007-1. The review has been assigned to Monica Orendi and it is our goal to complete the review within 60 days.

Your August 5, 2008 letter also stated that you were submitting proposed regulations to incorporate RATS IDs: 2006-1 and 2007-3. After review of the submitted Arizona regulations package we have determined that insufficient information was sent to complete a review against these two RATS IDs. Therefore we will not be reviewing these two amendments at this time.

If you have any further comments or questions, please contact me at (301) 415-2320. Thank you for your attention.

Sincerely,

Kathleen Schneider
Sr. Project Manager
State Regulation Review Coordinator
USNRC
Division of Materials Safety and State Agreements (DMSSA)
State Agreements and Industrial Safety Branch (SAISB)
