Re: License # 29-30773-01

Dear Sir/madam:

Effective February, 2008, we contracted with Omni Diagnostics, LLC (License #37-28333-01, Wayne V. Arnold, D.O., RSO) to manage our nuclear cardiology operation at 63-C, Lacey Rd. Whiting, NJ.

We now wish to terminate our NRC RAM license; Omni Diagnostics will then add this facility to their NJ license as a facility of use, and a copy of this letter will accompany that application.

The transfer of control will be seamless, without interruption in patient testing. Please find attached a Disposition of Materials form for the sealed sources onsite.

Thank you for your kind attention. If you have any questions or require additional information, please do not hesitate to contact me at 732-350-3350.

Sincerely,

Russell Cornell, M.D.
Radiation Safety Officer
