RE: Amendment to Conam Inspection & ES,I license # 12-16559-02

Please amend the referenced license to include the following. Add a permanent storage location at Eleven Jocama Blvd., Old Bridge, NJ 08857 (see drawings): add a permanent storage facility at 143 West Street (Highway 89), Evanston, WY (see drawing); remove the permanent radiographic facility at 280 Woodbridge Avenue, Woodbridge, NJ 07095 (decommission leak test will be available when move from Woodbridge Ave. to Jocama Blvd. is complete). Both added facilities are in compliance with Order EA 07-305.

With the issuance of this amendment, please coordinate the termination of license # 42-26838-01 as the assets of the licensed company, H&G Inspection have been acquired by CONAM Inspection on or about April 18, 2008 (see attached letter of notification).

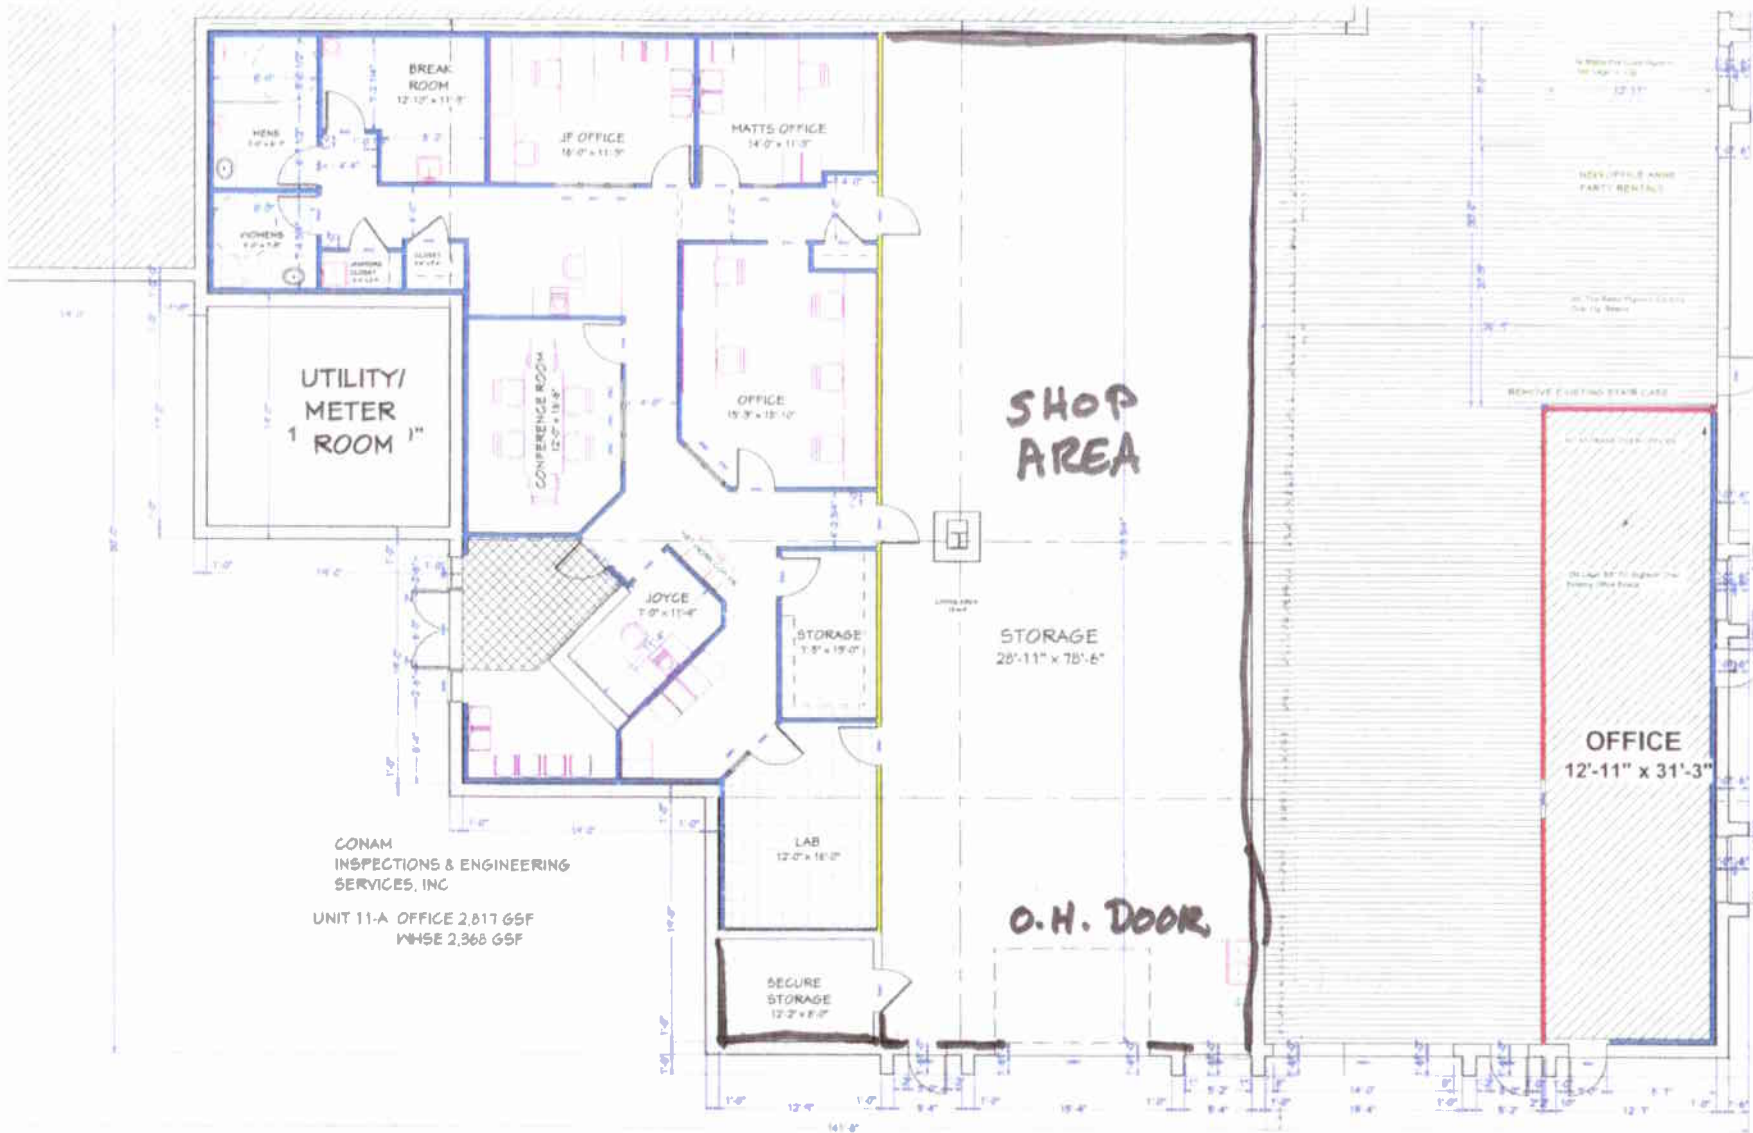

Sincerely,

Robert J. Slack
Director of Regulatory Affairs
