

October 2, 2008

Mr. Carl E. Parry  
President and Chief Executive Officer  
Utilities Service Alliance, Inc.  
9200 Indian Creek Parkway, Suite 201  
Overland Park, KS 66210

Dear Mr. Parry:

This letter is in response to your letter of August 27, 2008, requesting the U.S. Nuclear Regulatory Commission's concurrence on the Southern California Edison's San Onofre Nuclear Generating Station (SONGS) participation in the Human Event Repository and Analysis (HERA) System Demonstration Project. I hereby concur with your request and welcome SONGS participation in the HERA System Demonstration Project. If you have any questions, please contact Dr. James Chang at (301) 415-5341.

Sincerely,

*/RA/*

Brian W. Sheron, Director  
Office of Nuclear Regulatory Research
