Subject: STP EVR Status Report (Q4007 Task 1)

Attached is the bi-weekly EVR for STP for the time period ending 03/28/08. The report is provided to fulfill the requirements of the contract calling for an earned value report every two weeks. Please call me if you have any questions regarding the attached report.

The line items associated with review and issuance of the RAIs is no longer straight forward as NRC has added extra steps into the process by sending the applicant a "draft" version prior to a "final" version of the RAIs. I am assuming this will result in two rounds of NRC/OGC internal reviews as depicted in the attached report. However, I have indicated that these reviews are 100% complete.
