Mark,
We have received a request from an Environmental Coordinator-- South Carolina Department of Natural Resources (See below) related their review of the VC Summer ER. I understand that your group is responsible for coordinating review of the Summer ER. Please reply to this reviewer.

Thanks

Hi Mr. Hughes,
I work in the Office of Environmental Programs and I will be the project manager for the VC Summer project. I have received the ER for the project and we will be reviewing it. What is the timeline for when any comments will be solicited; e.g., at what stage of the process will resource agency comments be solicited?
Thanks so much and I look forward to working with you on this important project.
