** High Priority **

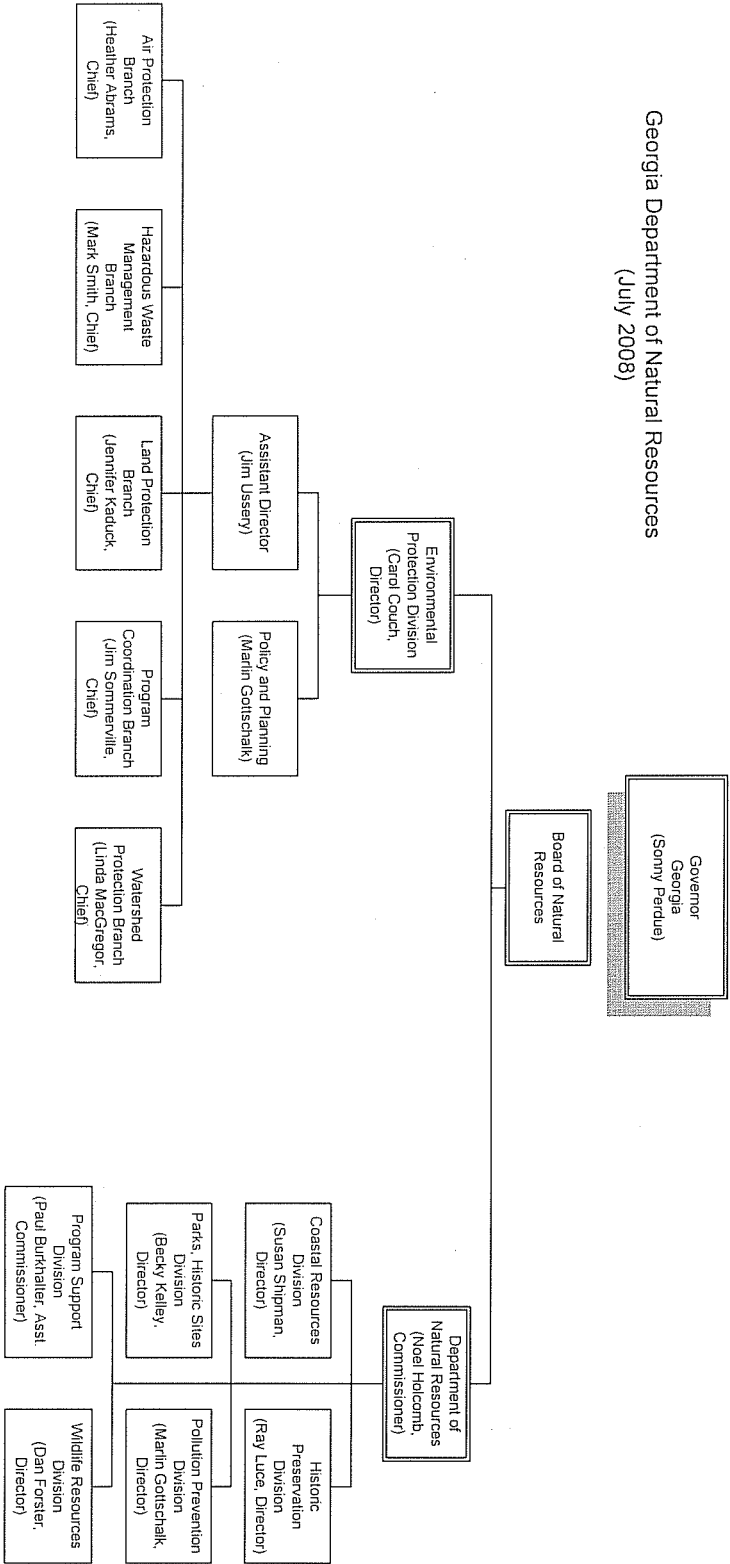

Randy,

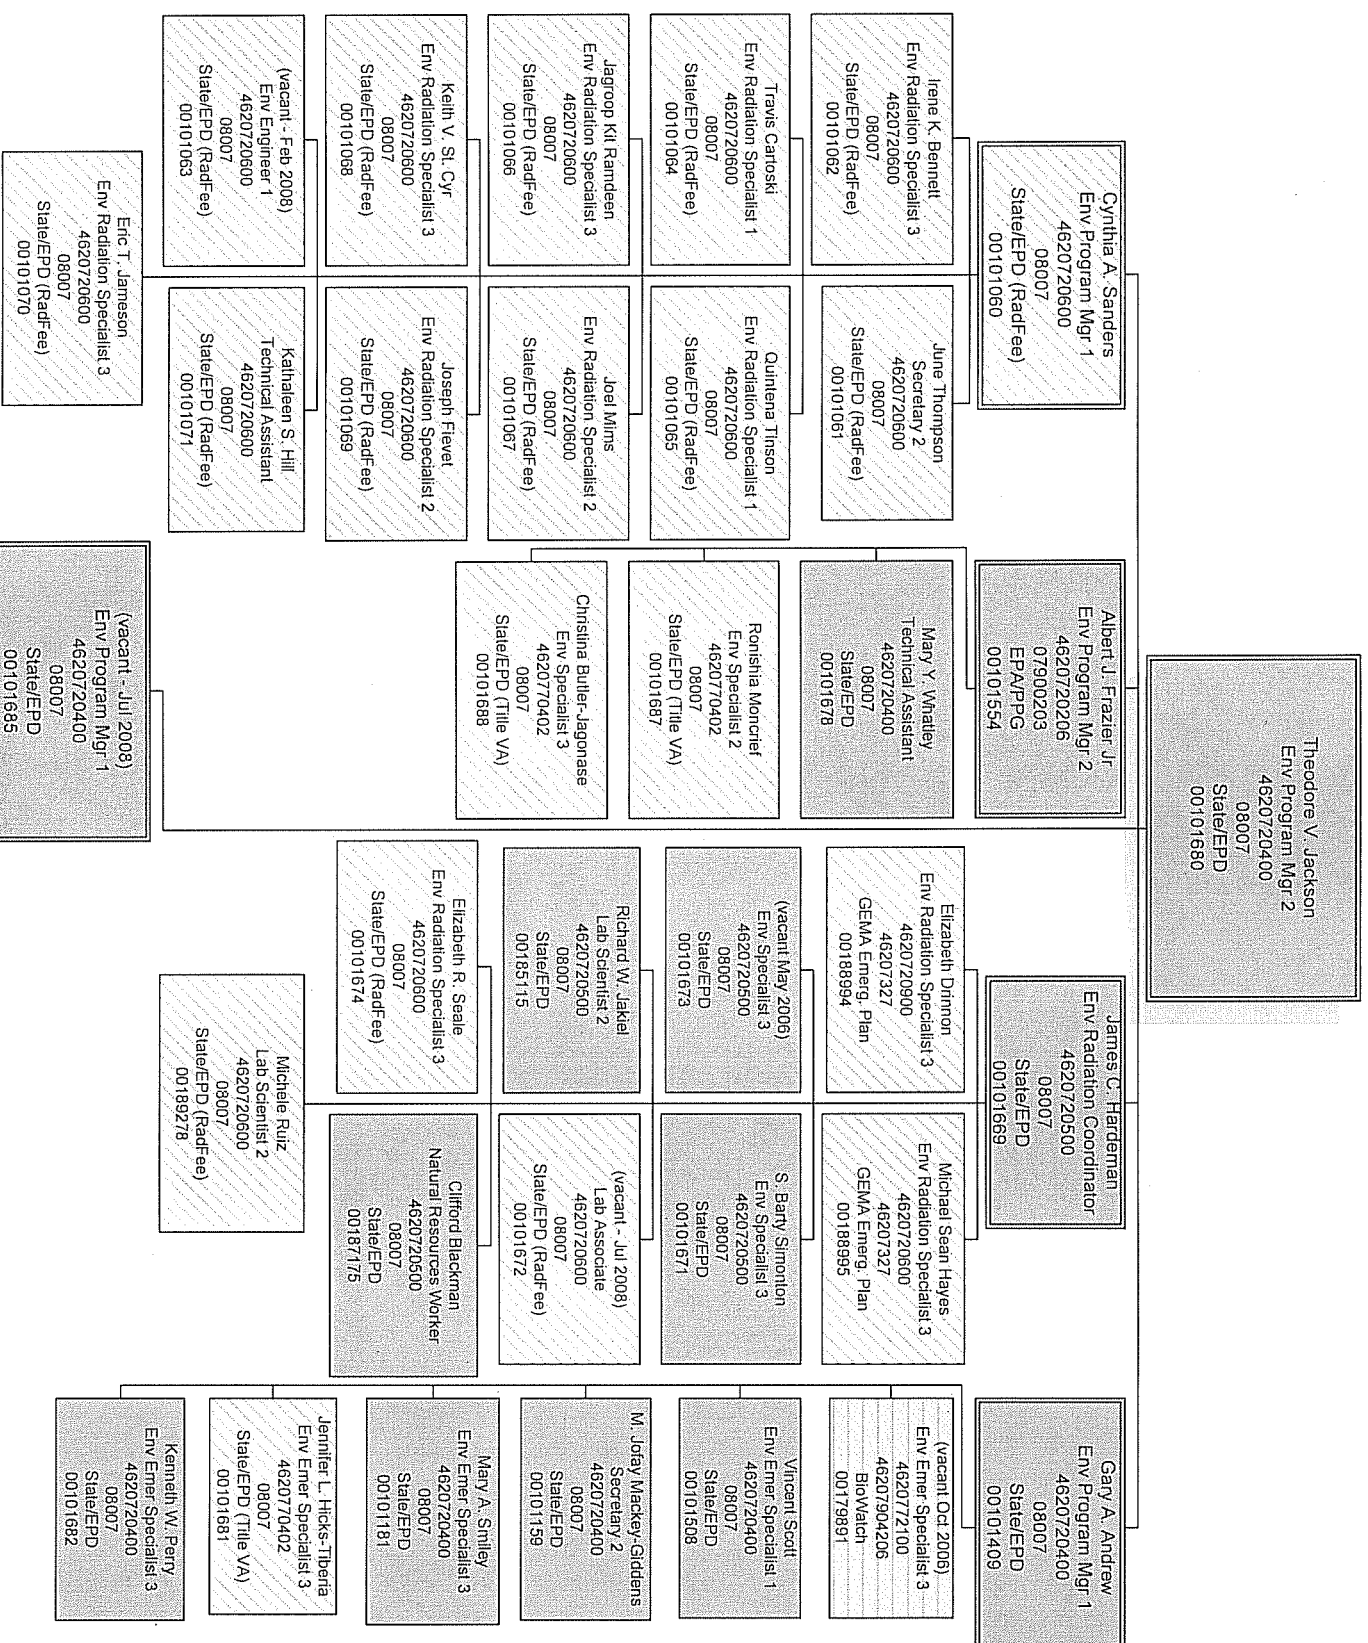

Attached is the completed Georgia IMPEP Questionnaire 2008, except for the section on Status of Materials Inspection Program. Eric Jameson needs a little more time to gather the inspection data for this section. I anticipate sending an update to you hopefully by next Monday (September 8th). Also, attached are the organizational charts. Please let me know when you received this.

I will be off on my flex day on Friday, and will return to the office on Monday.
