I don't need a paper copy. Will you be putting this document on EPM?

We expect the North Anna COL SEIS to arrive from PNNL on Monday afternoon.
I plan to get everyone copies sometime Tuesday or Wednesday, depending upon how long it takes to get copies. In order to shorten the number of copies needed, if you would like an electronic copy, please email Laura and I.

I understand everyone is extremely busy, but please try to read and comment on your document **before** going to PNNL. If you are able to transmit your comments to your PNNL counterpart before arrival that would be even better. Let's keep in mind that North Anna COL SEIS is tiered off the ESP EIS. Unless new and significant information is present, we should not be "reanalyzing" the issues.

For folks who are **not** traveling to PNNL for the writing session, your comments are due to me by Wednesday, **Sept. 17, COB**. If you have trouble meeting this deadline, let me know.

Any questions let me know.
Thanx
Alicia
