The purpose of this modification is to replace the existing price schedule with the revised price schedule below, at no additional cost to the government. The estimated hours under the various labor categories have been revised to better reflect the support to be performed, and a new labor category, Business Analyst, has been added to the price schedule. The new labor category of Business Analyst will support the NRC in management, organizational and business improvement consulting initiatives. The Business Analyst's responsibilities will include performing financial analysis using established and approved client protocols and formulas and providing reports to the consulting management staff.

B. Revised Schedule of Prices - Project Management Support
