Subject: Revised Standby Trust Agreement attached to AREVA's 8-21-08 Letter

Hi Bob,

We received AREVA's Revised Standby Trust Agreement attached to your 8-21-08 letter to the NRC. The Revised Standby Trust Agreement appears to be executed with original signatures; however it does not have the Certificate of Events, Certificate of Resolution, or the Letter of Acknowledgement completed. Therefore, I am going to treat this as an unexecuted Standby Trust Agreement, unless you tell me otherwise- in which case you must send in the rest of the information before we can complete the licensing action. I will forward the information to our financial analyst for review. Also, since there was no Affidavit included, I will make the information available to the public.

If you have any questions, please contact me.

Best,
Amy
