Subject: Receipt of RAI Request Dated July 31, 2008 (TAC L31975)

Hi Bob,

We received your letter, dated 8-21-08 stating that you estimate that AREVA's complete response to NRC's 7/31/08 Request for Additional Information (RAIs) regarding the AREVA license renewal will be provided to the NRC by October 3, 2008. Your proposed submittal date is acceptable to the NRC. As we discussed on Monday, August 25, 2008, AREVA may submit RAI responses, by complete Chapter, to the NRC, as they are ready. AREVA does not have to submit all of the RAIs, to the NRC, at one time.

If you have any questions, please contact me.

Best,

Amy M. Snyder, Senior Project Manager
U.S. Nuclear Regulatory Commission
Office of Nuclear Material Safety and Safeguards
