MHI,

Attached please find the subject request for additional information (RAI). This RAI was sent to you in draft form. We understand MHI does not need a conference call at this time, but may during the course of the response period request a clarification call. The schedule we established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. Please submit you RAI response to the NRC Document Control Desk.

Thanks,

Jeff Ciocco
