Name of Participant(s): Betsy Ullrich, NRC
Tom Bracke, RSO for PTC

Telephone No. Bracke: 609-897-8513

Subject: Update to 7/17/ telecom information
(NOTE: This will be used as the Documents Title in ADAMS)

Summary: Tom Bracke said that he has been working with their contractor (Energy Solutions) who is working on the revised DFP. Based on the recent work, the consultant expects to have a revised draft DFP to Tom soon (hopefully by Friday) for review and finalization. Once the document is final, it will be submitted to us.

Again, he stated that until RI approves the cost estimate, they will not draw up a new FA instrument for PTC. This is appropriate. They intend to request to amend the RIV FA when they submit the new FA to RI.

Action Required: Wait for RAI response; submit telecom record to LAT .
