Bill and Donna,

Attached are the draft RAIs for our 11:00 a.m. EDT (10:00 a.m. CDT) tomorrow 7/29 telecon on the OPPD supplemental response to GL 2004-02. Please call me if you have any questions. We acknowledge the fact that your supplemental response came in on 2/29/08 prior to but did reflect our approval of the water management LAR No. 255. We will discuss this tomorrow (e.g., the basis for RAI #4). The purpose of the call is to clarify the timing of your final response to GL 2004-02 in light of the RAIs. We prefer to have these discussions now as a means of clarifying issues that could arise during our review of the OPPD final submittal.

Mike
