This image displays a large, intricate fractal pattern constructed from a limited set of characters: L, M, N, R, D, U, P, J, S, and T. The pattern is highly symmetrical and recursive, resembling a Sierpinski triangle or a similar fractal structure. The characters are arranged in a grid, with the overall shape being roughly triangular. The pattern is composed of several distinct regions, each characterized by a different set of characters. The top-left region is primarily composed of 'L's, while the top-right region is dominated by 'P's and 'U's. The central region is a complex mix of 'M's, 'N's, 'R's, and 'D's. The bottom-left region features 'J's and 'S's, and the bottom-right region is filled with 'T's. The pattern is highly detailed, with many small, repeating sub-patterns that contribute to the overall fractal appearance. The characters are black on a white background, and the overall shape is roughly triangular, with the base at the bottom and the apex at the top.

[illegible]
