Attention: Jacqueline B. Cook

Dear Ms Cook,

Magic Valley Regional Medical Center, NRC license # 11-27082-01 has entered into an agreement to purchase the Twin Falls Clinic and Hospital, NRC license # 11-27085-01 on January 1, 2002.

Street address for Magic Valley Regional Medical Center is 650 Addison Avenue West, Twin Falls, Idaho 83301 – street address for the Twin Falls Clinic and Hospital is 660 Shoshone Street East, Twin Falls, Idaho 83301.

At this time,, Twin Falls Clinic and Hospital has a license application for renewal pending with NRC and has received a “Deemed Timely Letter”. MVRMC wishes to license the Twin Falls Clinic and Hospital as another location under 11-27082-01 with the same terms and conditions as listed in the renewal application for 11-27085-11 if this is possible. The terms and conditions of the license would remain exactly as it is now, except that the Radiation Safety Officer would be Dr. Robert Wasserstrom, who is listed as the Radiation Safety Officer on MVRMC license # 11-27082-01. No new personnel in need of training would be added. It is not anticipated that the personnel will change, however, they will be employees of MVRMC after January 1, 2002.

There would not be any changes in location, facilities or equipment, or procedures under this change for the Twin Falls Clinic and Hospital, other than being licensed as a separate location and the change in Radiation Safety Officer.

The surveillance program, (surveys, wipe tests, quality control) will not change from the terms of the present license.

The transferee (Magic Valley Regional Medical Center) will abide by all constraints, conditions, requirements and commitments of the transferor, (Twin Falls Clinic and Hospital).

What additional steps need to be taken to accomplish this transfer? The purchase is a “pending” situation for both institutions.

It is not anticipated that the sale will not proceed as planned, however the sale is not complete at this time.

If there is additional information that should be submitted, or questions concerning this request, you may contact Patricia Neale at MVRMC, phone 208-737-2031, or Dr. Robert Wasserstrom at MVRMC , phone 208-737-2193.

Sincerely yours,

Patricia Neale for Dr Robert Wasserstrom
