RECEIVED
REGION I

Subj: REQUEST FOR EVALUATION OF DECOMMISSIONING SITES

Dear Ms. M. Miller

Per your request of 13 June 2008, the Naval Radiation Safety Committee (NRSC) is forwarding the list of decommissioning sites. We have annotated the sites as you requested, however, we had to add additional categories to provide you with a complete assessment of the sites. The categories are now listed as: (1) NRC Regulated Material; (2) Previously Licensed AEC Material (Sealed Source License Materials License); (3) Previously Licensed AEC Material (Non-Discrete Materials License); (4) Radium-226; (5) Radium-226 or 91B Material Commingled with NRC Regulated Material; (6) Other: Strontium-90 deck markers, Thorium-ore, and; (7) Unknown - Historical Radiological Assessment Underway or being Considered

Sincerely,

L. L. FRAGOSO
Captain, MSC, U.S. Navy
Executive Secretary
Naval Radiation Safety Committee
