SUBJECT: MINUTES OF APRIL 17, 1986, MEETING TO DISCUSS THE TENNESSEE
VALLEY AUTHORITY EMPLOYEE CONCERN PROGRAM

On April 17, 1986, members of the staff met with representatives from the Tennessee Valley Authority (TVA). The purpose of the meeting was to have TVA provide a description of the program in place to resolve employee concerns. In general, TVA discussed the new Employee Concern Program in place since February 1, 1986; the Watts Bar Special Program and its different parts; and the status of the Nuclear Safety Review Staff reports.

As a result of these presentations, the staff expressed several concerns; the major ones being:

- (1) the lack of documentation when an employee reports a concern to his direct supervisor;
- (2) the need for a better understanding of the categories presently used in the Watts Bar Special Program; and
- (3) the lack of communication between the Employee Concern Program and the Watts Bar Special Program.

A list of attendees is given in Enclosure 1. Enclosure 2 is a transcript of the meeting.
