Subject: Docket No. 50-482: Response to Request for Additional Information Regarding Control Systems Vulnerability

Gentlemen:

Letter WM 07-0072 (reference 2) provided Wolf Creek Nuclear Operating Corporation's (WCNOG) 60 day response for Wolf Creek Generating Station (WCGS) to the Nuclear Regulatory Commission's (NRC) June 22, 2007 request for information regarding Control System Vulnerability (reference 1).

Reference 3 requested that additional information to supplement this response be provided to the NRC within 60 days of the date of the letter. The attachment to this letter provides the requested information. The attachment is presented in the format agreed to by NRC and the Nuclear Energy Institute (NEI). As Security Related Information, the attachment should be withheld from public disclosure in accordance with 10 CFR 2.390(d)(1), which states, "Correspondence and reports to or from the NRC which contain information or records concerning a licensee's or applicant's physical protection, classified matter protection, or material control and accounting program for special nuclear material not otherwise designated as Safeguards Information or classified as National Security Information or Restricted Data."
