**Subject:** Agenda change

Phil,

Per Joe's request, I "made space" right before lunch for 15 minutes for the staff to discuss a couple general items. Before this occurs, we will adjourn the public portion of the meeting and ask industry reps to leave - this just happened to be a good opportunity to address these items with a larger group of the reviewers. I hope this won't impact the presentation - I think it should be okay.

Thanks, Joelle
