11.02-\*\*\*

In FSAR Section 11.2.1.2.5.2, TVA addresses COL Information Item 11.2-1 by providing the description of the conformance of the mobile or temporary equipment to the guidance of Regulatory Guide 1.143. The conformance discussion is limited to the codes and standards listed in Table 1 and Position C.1.1.2 of Regulatory Guide 1.143. Please clarify the extent to which the mobile or temporary equipment meets the remaining applicable guidance of Regulatory Guide 1.143; please revise FSAR Section 11.2 to include this information, or justify its exclusion.
