Gina,

Do you know yet if Dominion response to RAI 12.03-12.04-8 will be STD or SS? I didn't see it listed on this sheet. We need to know whether or not to send identical RAI to GG. Thanks

Subject: Revised Draft Table: Identification of R-COLA RAI Responses as Standard or Site-Specific

Hi Tom,

Attached is a revised draft of the table that Dominion plans to use to identify each R-COLA RAI response as standard or site-specific. This version does not the RAI letter number, and the table can now be sorted.

Please let me know if you or the other PMs for ESBWR plants have any comments or suggestions. After we resolve your comments, we will create a draft table for the ESBWR S-COLAs, and submit it to the NRC for review and comment.

Thanks,
