We are having a public meeting to discuss a template for the environmental protection plan (EPP) in COLAs. I don't know much about DCWGs, but I've written her back, and I think shes satisfied.

Subject: Request for inclusion on mailing list

Dear Harriet – I have arranged with Andrea Jones and Jerry Hale for service of ESBWR DCWG meeting notices on the following individuals. But the attached meeting notice indicates that there is a different service list for some meetings relating to COLAs that may reference the ESBWR design. I would appreciate it if you would include the following individuals on that meeting notice list. (If you need first-class mailing addresses, please let me know – but we would prefer to receive notices by e-mail.)

Please also let me know if there are any other service lists relevant to the NRC's review of the ESBWR design to which our names should be added.

Diane Curran – dcurran@harmoncurran.com
Annie Makhijani – annie@ieer.org
Arjun Makhijani – Arjun@ieer.org
Charles Irvine -- charles@blackburncarter.com
Jim Blackburn – jbb@blackburncarter.com

Please confirm that you will fulfill this request.

Thanks – Diane Curran (202-328-3500)
