Subject: Request for meeting minutes

Hi Jerry – I just checked ADAMS and the ESBWR docket and could not find any minutes of the NRC's August 7 and August 27 meetings regarding the ESBWR application. Can you send them to me? And if you have minutes of the Sept. 4 meeting on ESBWR-related COLAs, please send them as well.

Can you also tell me how to find NRC documents relating to the Victoria COLA on ADAMS or the NRC's website? Because there is no docket number I do not know where to look. Also, no NRC documents are posted on the website at <http://www.nrc.gov/reactors/new-reactors/col/victoria.html>. I am particularly interested in the summary of the NRC's August 7 meeting in Victoria and documents related to the NRC's site visit, which I understand took place this past summer.

Finally, can you please confirm that my written request to you of 9/3/08 and my oral request to you and Andrea Jones of 9/4/08, to add several names to the e-mail service list for ESBWR correspondence and ESBWR-related COLA correspondence, has been fulfilled? The names and addresses are:

Diane Curran – dcurran@harmoncurran.com
Annie Makhijani – annie@ieer.org
Arjun Makhijani – Arjun@ieer.org
Charles Irvine -- charles@blackburncarter.com
Jim Blackburn – jbb@blackburncarter.com

Thanks – Diane Curran (202-328-3500)
