Re: License # 3728333-01

03030949

Dear Sir or Madam:

We wish to transfer licensing of all sites listed on our license, and control of materials used to Omni Diagnostics, LLC, and terminates our NRC RAM license.

Omni Diagnostics will submit an application and will then add all addresses to their license as facilities of use; a copy of this letter will accompany that request.

Dr. Arnold will be the RSO for Omni Diagnostics on their license. Terry Day, RT, Nuclear Operations manager and Co-RSO for Omni Diagnostics, will be his back up for RSO responsibilities.

The transfer of control will be seamless, without interruption in patient testing. Please find attached a Disposition of Materials form for the sealed sources onsite.

Thank you for your kind attention. If you have any questions or require additional information, please do not hesitate to contact me at 610-667-2746.

Sincerely,

Wayne V. Arnold, D.O.
