Amy,

Here is BWXT's answer regarding the NRC's question on Certificates of Compliance resulting from the final review of our request (TAC L32657) to transfer License SNM-42 to Babcock & Wilcox Nuclear Operations Group, Inc.:

**Q:** Is BWXT a vendor for any of the shipping containers for which it holds a Certificate of Compliance?

**A:** No.

The automatic proprietary statement at the end of this email does not apply in regards to this correspondence with the U. S. NRC.

Sincerely,

Barry Cole
