Amy,

You were correct to use Chapter 1 of BWXT's SNM-42 License Application. Obviously we need to revise this part of our document. Do I need to submit a revision now or after this transfer process takes place?

Thanks,
Barry

Barry,
Thank you for the information. For the FRN, I used BWXT's November 14, 2007 submittal information:

1.1.3 Corporate Information

The licensee is B&W Nuclear Operations Group, Inc. (B&W NOG), a Delaware Corporation, which is a wholly owned subsidiary of Babcock & Wilcox Investment Company, Inc., a Delaware Corporation. Babcock & Wilcox Investment Company, Inc. is a wholly owned subsidiary of McDermott Incorporated, also a Delaware Corporation. McDermott Incorporated is a wholly owned subsidiary of McDermott International, Inc. a Panama Corporation, which is a publicly traded company on the New York Stock Exchange. The principle offices of B&W NOG are located at:
1450 Poydras Street
New Orleans, LA 701126058

We will reference your 8/19/08 Email in our Safety Evaluation Report that states that B&W NOG, a Delaware corporation, is a wholly-owned subsidiary of BWX Technologies, Inc. (BWXT). BWXT is a subsidiary of The Babcock & Wilcox Company.

If you have any questions, please contact me.

Best,
Amy

Amy,

In regards to the ownership statement in the Introduction part of the 8/1/08 FRN, please use the following corrected statement when preparing the Safety Evaluation Report for the transfer:

B&W NOG, a Delaware corporation, is a wholly-owned subsidiary of BWX Technologies, Inc. (BWXT). BWXT is a subsidiary of The Babcock & Wilcox Company.

Thanks,
