Thank you!

We may have a conflict or two because of the BLN call going on at the same time, but we think we can make do. Thanks for working with us on the schedule. Talk with you at 3:00!

Ravi and Mark,

I wanted to provide to you 2 numbers that we can use as "standard numbers" for conference calls. We have designated 1 for ER type calls, and 1 for remaining COLA calls. Ravi, I can forward these numbers on to other Chapter PM's as necessary if that would be helpful. If a situation arises that we need to use a different number because of another conflict, I will let you know. But these should work most of the time.

For ER calls:

Dial-In: 866-232-8005  
Conference Code: 7249143294

For other COLA calls:

Dial-In: 866-232-8005

Conference Code: 3012287099

I just wanted to make sure both of you had both numbers!

Thank you!

Amy
