I would expect a larger number of people in the morning-during the afternoon I would imagine only a few staff, at most, at each RAI letter session.

Do we expect more attendees at the morning vs. afternoon session, assuming the RAI questions are discussed in the afternoon session? I would session with the larger number of attendees in the Commissioner's Hearing Room.

Either that or we can use NPOC offices which seemed a little snug. Let me know what you decide because we need to let them know.

Also, Charlie, can we switch the HP RAI topics to the morning at 11:30 a.m.? Please let Jerry and I know ASAP so we can update the agenda.

The Commissioner's Hearing Room is available the afternoon of September 4, 2008, from 1:00, on. I recommend we lock it in and adjust the agenda accordingly.
