No problem, I figured that was the case. I'll get my request in earlier next time.

Thanks for the reply.

Sorry I missed your request, but I was out of the office Thursday as I was involved in the ESBWR DCWG meeting from very early until late and have just gotten around to my emails.

I'd like to listen in on some of the sessions at today's public meeting on the ESBWR and COL activities. If you get a chance, can you send me the conference line call in number and passcode.

Thanks

Charles
