Re: Materials License # 19-07538-05.

03031689

Dear Madam/Sir:

Due to a serious illness, Dr. John Strong, who as the Acting Director of the Laboratory of Clinical Pharmacology (LCP) is listed as the licensee on Materials License # 19-07538-05, has decided to retire from the government effective 9/30/08.

In addition to serving as the Radiation Safety Officer (RSO) on Materials License # 19-07538-05, I have been appointed as Acting Director for LCP following Dr. Strong's departure from FDA.

It is the intention of FDA management to replace Dr. Strong with a permanent LCP Director within the next 12 months. As head of the Laboratory, the new Director would assume Dr. Strong's position as the listed licensee on Materials License # 19-07538-05.

Thanks for your assistance.

Sincerely,

Robert Parker Ph.D., Acting Director
