Dear Jerry,

I was planning to go to the ESBWR meeting held last week but had a schedule conflict. The agenda noted that DCWG would provide feedback on COLA submittal schedules. I attended last month's meeting where the NRC Staff requested delays in submittals for COLA revisions to help the NRC sync their reviews. During that meeting, North Anna, the reference-COLA was asked to delay Revision 1 to its COLA until the November/December 2008 timeframe. Grand Gulf, the subsequent-COLA was requested to delay its Revision 1 submittal until January/February 2009. There seemed to be no major concerns expressed by the DCWG on the NRC request. Has anything changed since that time?

I was also hoping to receive a copy of the presentation materials if possible. I looked on ADAMS but have not seen them yet.

Thanks so much,

Deann
