To: Wayne Butler, Ph.D., Physicist

This is the amendment request to add two authorized medical physicists (AMPs).

a) For Tapash Roy, Ph.D., the Form 313A(AMP) appears to be complete. In order to document the degree, it possible for you to provide a copy of the diploma and/or transcript (unofficial copy) showing degree completion and field of major study?

b) For Brian Kurko, it looks like only a portion of the Form 313A(AMP) was submitted. We received pages 3 and 4, but not the first two pages. Please resubmit the full Form 313A(AMP), and also provide a copy of diploma and/or transcript documenting M.S. degree completion and field of major study.

Please submit the information described above within 30 days or we will presume that you do wish to pursue this request. You may mail this to the Region I office or fax it to my attention at 610-337-5269, referencing mail control 142705. Do not hesitate to contact me with any questions.

Thank you,
