Control No. 317379 - Re request by letter dated 8-4-08 to delete several Authorized Nuclear Pharmacists (ANP) and add two others to License No. 24-04206-11MD, located in Saginaw, Michigan.

SUMMARY
In the telephone conversation with Ms. Chance, she asked if she could, by facsimile, change/add to the information previously submitted by letter dated 8-4-08, before we issue the requested amendment to the subject license. The changes would involve deleting three ANPs and adding two new ones, both of whom, she stated, are ANPs on one of Mallinckrodt's broad scope type licenses issued by the State Of Illinois. She further related that both are registered pharmacists with the State of Michigan. I agreed to delay issuance of the amendment until the additional information is received.
