No, not yet. I was going to make them tomorrow. Have you registered yet? Tom made me aware of that little detail today. Guess I'll do that tomorrow as well.

No reason not to... As far as I know we are just going up for the forum and coming back. Is anyone else planning on going?

Yes, I think we should have someone there to handle anything that comes up especially if questions surface related to existing units and water usage. Beth you should plan to attend. Expect Ellie or Mike might want to think about it as well.

Think we need to have someone there from our shop?

Please advise.

Very likely. The governor will be there and I remember that there were media people there last year.

Ellie:

I will be attending this event. We are actually one of the sponsors along with GPC of the study being conducted on the Savannah.

Good Afternoon!

I wanted to bring to your attention a Public Forum that has been announced in this area as follows:

Savannah River at Risk Public Forum

September 18, 2007

Savannah Rapids Pavilion, 9:30 a.m.-4:30 a.m.

Evans, Georgia

Keynote Speaker: Governor Sonny Perdue

Don't miss learning about:

- the state of the Savannah as seen by GA and SC stakeholders
- updates on water agreements between the states
- innovative river science
- what is being done to raise water quality awareness

This is sponsored by the Southeastern Natural Sciences Academy.

Pre-registration is required to attend. For more information, call (706) 828-2109.

If you have any questions, let me know.

Thanks!
