

**Request for Additional Information No. 75-1201 Revision 1**

10/1/2008

US-APWR Design Certification

Mitsubishi Heavy Industries

Docket No. 52-021

SRP Section: 18 - Human Factors Engineering

Application Section: 18.5 Staffing and Qualifications

QUESTIONS for Operating Licensing and Human Performance Branch (AP1000/EPR Projects) (COLP)

18-1

Section 18.5.4 of the US-APWR DCD states:

"No additional information is required to be provided by a COL applicant in connection with this sentence."

Section 5.5 of MHI Topical Report MUAP-07077-P (R1), "HSI System Design Description and HFE Process," states:

"Final Staffing and Qualifications requirements depend on the operating utility's applications, therefore it is a Combined License applicant responsibility."

Please clarify the roles and responsibilities associated with developing staffing and qualification requirements for the US-APWR design.
