

# U.S. Nuclear Regulatory Commission

Safety Culture Presentation  
Nuclear Fuel Services, Inc.  
Erwin, Tennessee  
October 1, 2008

This is a category 1 meeting in which the public is invited to observe and will have one or more opportunities to communicate with the NRC after the business portion, but before the meeting is adjourned.

# Agenda

2:00 p.m.	Introduction (Safety Culture Presentation)	NRC NFS, Inc.
2:20 p.m.	Status of Safety Culture Initiative, and Discussion of the Questions asked of NFS regarding their Safety Culture Assessment and Implementation Plan	NRC NFS, Inc.
4:00 p.m.	Closing Remarks	NRC

## *NRC Panel Representatives*

**David Ayres**, Division of Fuel Facility Inspection, Region II

**Peter Habighorst**, Fuel Manufacturing Branch,  
NMSS/FCSS

**Jane Marshall**, Material Control and Accounting Branch,  
NMSS/FCSS

## *Background on NFS Safety Culture*

- **A Safety Culture program looks at how workers think and act toward safety**
- **NFS agreed to perform Safety Culture Assessments and submit plans for improvements**
- **NFS also agreed to submit a License Amendment to improve their Configuration Management program**

## *NRC Oversight Panel Purpose*

- Evaluate whether NFS meets each aspect of the Order
- Review the corrective actions for escalated enforcement issues outlined in the Order
- Review the NFS configuration management program improvements
- Review the NFS independent third party safety culture assessment
- Determine if implementation plan will positively affect Safety Culture

## *Purpose of Meeting*

- **Discuss progress of NFS Safety Culture Improvement Initiative**
- **Provide NRC opportunity to clarify the questions asked and comment on the answers provided by NFS**
- **Provide public with a status of the NFS Safety Culture Improvement Plan and the NRC Oversight effort**

# *Closing Remarks*
