Hi Nona,

Thanks for the information on the LWA rule. I will let Rich take a look at it. I will call Russ tomorrow morning about 4.5-3. You never know, he might have a response to it.

regards,

Paul

In STP's August 14 response submittal, they state they only have two outstanding responses (02.02.02-1 and 02.04.02-03). But, according to what I see, they also still owe us for 4.5-3 which is a Rad Health RAI. So next time you speak to Russ, you may mention this additional RAI that seems to have slipped through the cracks down there. Maybe it got swallowed by a gator.
