George, I have a couple of comments on the slides:

1. Please change the 2nd bullet on the 1st slide to be more positive. Consider the following:

- Progress to date on ongoing review efforts is consistent with internal baseline schedules for STP R-COL review

2. To put the status into perspective, you may want to list the total number of sections ongoing review. For example:

- Phase 1 100% complete for 23 of ??# sections under review

3. Paul will provide you with 1 slide on ER status.

Thanks,
Belkys
