Hi Heather,  
When we spoke yesterday I mentioned an Interim Staff Guidance document that is used by the NRC staff as they review the environmental report for acceptance. I found the document (LR-ISG-2006-02) on the public website (<http://www.nrc.gov/reading-rm/doc-collections/isg/license-renewal.html>) and in ADAMS (ML063190421 for the package, including the transmittal letter and checklist). Please let me know if you have any difficulty accessing the information.  
Thanks,  
Rani
