***Re: Notice***

To whom it may concern:

I am writing to notify you of the impending "Transaction" whereby NRC licensee Chelsea Community Hospital, a Michigan nonprofit corporation ("Chelsea")(Materials License Number 21-20355-01), will become part of Trinity Health-Michigan doing business as Saint Joseph Mercy Health System, a Michigan nonprofit corporation ("SJMHS"). To effectuate the Transaction, Chelsea will merge with and into Trinity Health-Michigan and be operated as part of SJMHS, which is an operating unit of Trinity Health-Michigan. There are no current plans to change the name of Chelsea Community Hospital.

This letter confirms that the Transaction will not result in a change in Chelsea's personnel, duties, organization, location, facilities, equipment, and procedures related to the licensed program. Likewise, the current status of Chelsea's surveillance program is, and following the Transaction, will remain consistent with prior filings. All documents relevant to the decommissioning of Chelsea will remain in the possession of Chelsea. Furthermore, Chelsea will continue to abide by all constraints, conditions, requirements and prior commitments related to the licensed program.

Please consider this letter a request for the NRC's written consent to enter into the described change in control. Once the Transaction is completed, we will request a license amendment via a letter signed by Chelsea's President that describes the Transaction and readdresses the commitments set forth above.

Should you require any additional information regarding this Transaction, please call me at (734) 475-3911.

Very truly yours,

A handwritten signature in black ink, appearing to read "Ruth Shantz".

Ruth Shantz  
Vice President for Regulatory Affairs
