Has Dr. Vijay Sankhla been and Authorized User and Radiation Safety Officer on a license before? He has told me that he has been on a license as an Authorized User but I don't know as a Radiation Safety Officer. Please send me information that would show what License he was previously listed. If he was not a Radiation Safety Officer (RSO) before then you may need to propose a different individual for that function.

Action Required: Mr. Hecht would inquire about the previous license that Dr. Sankhla was listed and propose a different RSO if needed.
