Thank you for this information. I trained from 1996 to 1999. That is why I kept asking why you were only asking about 1996 to 1997. The merger occurred in 97 and I was definitely trained by both Mylan Cohen in 96-97 and the BIDMC people in 98 and 99. We should be able to use the name of someone on the license from 98 or 99 also as I was there during that period also.

Michael Notarianni

Chris: Researched backwards this morning. This was prior to when the New England Baptist Hospital ( NEDH) and the Beth Israel Hospital ( BIH) merged into the Beth Israel Deaconess Medical Center ( BIDMC) so Dr Notarianni was trained at the NEDH. I was the RSO for BIH and the merged BIDMC but not the NEDH. I talked a few minutes ago to Dr Mylan Cohen in Maine and he was the Chief of Nuclear Cardiology at NEDH at that time and trained Dr Notarianni. My staff has located correspondence on Dr Cohen's training documentation towards AU status under Dr Tom Hill (NEDH Chief of Nuclear Medicine then) permit and I am faxing it to you.

Dr Cohen can be reached at 1-800 - 767 - 2642 <http://www.maine-cardiology.com/bios.html>

Hopefully this will help

Rosemary

Mr. Smarte,

I need the additional information concerning Dr. Notarianni in about a weeks time or you will need to resubmit the amendment request. I can, if requested, completed the other physician request at this time and you will need to just resubmit Dr. Notarianni when you get the additional information.
