Notification of New Radiation Safety Officer:

Please be advised that it is our intent to replace Donald Daavettila as the Radiation Safety Officer for Michigan Technological University with another employee, Jonathan Stone.

Jonathan is currently employed as an Occupational Safety and Emergency Response Specialist in the Occupational Safety and Health Services Department at Michigan Tech and reports to Allen Niemi, Director. Jonathan's educational background includes a BS degree in Ecology from the University of Wisconsin - Stevens Point and a MS in International Development from Pacific Christian College. Jonathan also completed the forty hour Englehardt & Associates radiation safety officer course in 2007 (copy of certificate enclosed) and has been training on the job with Donald Daavettila since December 2006.

Donald Daavettila will continue to reside in the Houghton area and has expressed a desire to assist the University in matters related to radiation safety whenever requested. If you need any additional information regarding this change please let me know.

Jonathan's contact information is as follows:
