Mr. Firsick,

Attached is an Environmental Assessment for the Neurogen Corporation facility in Branford, Connecticut. Their incoming document providing the radiological assessment is publicly available in ADAMS, if you wish to look at that document. It is referenced at the end of the EA. If you have difficulty with viewing in ADAMS, let me know and I will get you a copy in another way.

Neurogen Corporation, License No. 06-28473-01, Docket No. 030-31474. This action to terminate the license is Control No. 142782.

Please let me know if you have any comments, within 30 days. You may respond by email, in a letter, or by telephone. I appreciate your time and effort in this review. My contact information is below, if you need to reach me.
