Dear Mr. Conant:

This letter is in reference to your letter dated September 19, 2008, providing a revised Decommissioning Funding Plan (DFP) for your CE Windsor facility located at Windsor, Connecticut. This version of the DFP, which adequately addresses the cost estimates for NRC License Nos. 06-00217-06 and SNM-1067, is accepted without further comment.

As discussed in your letter dated April 11, 2008, you intend to revise your financial assurance instruments within 60 days to reflect the revised funding amount reflected in the accepted DFP.
