Re: N.R.C. License Amendment Request
License No. 53-21273-01
Docket No. 030-20138

Dear Sir or Madam:

I would like to amend our N.R.C. License, No. 53-21273-01 to more accurately reflect the current status of our Radiation Safety Program and the sites for nuclear gauge storage.

Effective October 1, 2008 Grace Pacific Corporation will expand to the island of Kauai. Therefore, a new location will need to be added to our Nuclear gauge storage locations.

We request the following changes:

<u>Paragraph No.</u>	<u>AMEND</u>
10	See Attached - **LOCATIONS TO BE INCLUDED

I have reviewed all current documents and have determined that with the changes listed and documents attached, our N.R. C. License will be accurate and up to date.

Should you have any questions concerning this matter, please feel free to contact me at Ph.# (808) 479-5669 or by Fax (808) 672-8619.

Respectfully yours,

Felicia M. Souza
Quality Control Supervisor/ R.S.O.
Grace Pacific Corporation

CONDITIONS

10. Licensed material may be used or stored at the licensee's facilities located at
 - A. 91-920 Farrington Highway, Kapolei, Hawaii
