Shep,

I received a voice mail from Phillip Musegaas regarding amendments to the Indian Point LRA. He was inquiring about Amendment 2 to the LRA regarding metal fatigue/monitoring dated 1/22/08, and said that he could not locate it in ADAMS. Then he wanted to be sure that he was aware of all of the amendments, and said that he has Amendment 1 dated 12/18/07, and is aware of Amendment 2 dated 1/22/08, and inquired whether there are any other amendments.

According to ADAMS, Amendment 2, dated 1/22/08 will be publicly released on February 6, 2008. The accession number is ML080290659.

If you have any questions, please let me know.
Kim
